Message

Ref. No. G/Message/2024

Date: 07.03.2024

I extend my warmest greetings to the organisers of the Award Ceremony for the year 2023-24 organised by the Society for Advancement of Science & Social Environment (SASSE). This prestigious event marks not just the recognition of exceptional talents in the realms of science, teaching, technical innovation, administration, and research, but also the celebration of the relentless pursuit of excellence that drives society towards meaningful and sustainable development. The awards and recognitions bestowed are symbolic of hard work, dedication, and innovation. Advancing science and enhancing the social environment that propels us forward, making a tangible difference in the world we live in. As we come together to honour the various achievements, let us also reflect on the journey that lies ahead. May this ceremony be an example of inspiration, not just for the awardees, but for everyone striving to make a positive impact in their field. Let us pledge to continue our quest for knowledge, to tackle the challenges that face our society, and to work tirelessly towards a better future for all. Congratulations to all the awardees. Your achievements are a testament to your commitment to excellence and a reminder of the incredible potential that lies within each one of us to contribute positively to our world.

Warm regards,

(Dr. Uttam Kumar Sarkar)
